Each golden friendship I have known ... Is like a guiding star
... That leads me through the yesteryears ... Of places near and far...
The large and little cities and ... The streets of long ago
... Where life was merely part of all ... The winds that use to blow...
Each helping hand and loving smile ... Is like a song of old
... Imbued with all the melody ... I wish that I could hold...
And though the hours still do come ... May be a million more
... I dream about the happiness ... That filled my heart before...
I see the faces young and bright ... That meant so much to me
... Any their endearing friendship is ... My fondest memory.

Dear Classmates,

planning a reunion involves a lot of time and energy but it was well worth the effort. We did our best to make this evening a memorable one. If you have any suggestions for future reunions - please let us know.

It was our intention to include everyone. Do you know of a former classmate who did not receive an invitation? If you do, please send us their address so we're sure not to miss them for the 20 year reunion.

We hope that you have renewed old friendships, made new ones, and enjoyed the evening. We also hope to see each and every one of you at our 20 year reunion.

Sincerely,

Your 10-Year Reunion Committee,

Gale Mishoulam/Gallagher
Debra Diorio/Wester
Patricia Baumann
Cheryl Buckingham/Van Naarden
Patricia Galligan/Brown
Jane Harper
Linda McGuire/Meyer
Mary Mulcahy/Teykl

P.S. - If your survey was not received by the printing date, we were unable to include it.

FUTURE VOYAGES

One of the most difficult tasks in planning for the 10 year reunion was trying to locate everyone. If you are at a different address "in the year 1996", please write and let us know. Our 20 year reunion will be a BIG ONE and we don't want YOU to miss it!
